HANDRAIL PRODUCTS

Handrail Strip

Marking Tape

Safe-T-Lume Handrail Products align handrails to help provide safe egress in the event of a power outage or smokey conditions. The Handrail Strip is curved to fit onto standard round handrails and features an easy peel and stick backing. For an economic option, the Safe-T-Lume Marking Tape offers a fast and easy install.

FEATURES

BRIGHTNESS Materials are photoluminescent colored, bright and require no electrical charge. High-quality strips feature integrated dye throughout the material to exceed codes for brightness.

DURABILITY The Handrail Strip is long-lasting and tamper resistant. It is designed with materials that last, like the foam back adhesive and 53 mil resin.

INSTALLATION EASE The peel-and-stick adhesive backing is easy to install. Installation and maintenance manuals are available at www.nystrom.com.
